

3rd Project Innovation Contest - 2014

in conjunction with ICDCIT - 2014

Project Innovation Contest (PIC) a sister concern activity of ICDCIT started in the year 2012 as a co-activity of ICDCIT. Since inception it has made its significant contribution towards the society. The main objective of PIC is to motivate the student community to develop projects with innovative ideas which should support as an add-on to the human lifestyle.

PIC also provides platform for students from B.Tech/MCA to showcase their technological talent by representing their innovative ideas in the areas of Computer Science, Information Technology and Multidisciplinary (i.e. any stream projects embedded with Computer Science or Information Technology Applications).

3rd PIC-2014 which will be held in conjunction with 10th ICDCIT during 6th – 9th Feb. 2014 invites project contributions from students.

The accepted projects will pass through a review process. The selected project group will be invited to showcase their project with demonstrated model for the said period. The best three projects will be awarded.
