Established in 2004, the ICDCIT conference series has become a platform for Computer Science researchers from India and all over the world to exchange research results and ideas on the foundations and applications of Distributed Computing and Internet Technology. Such technologies enable individuals and organizations to jointly engage in the production, processing and dissemination of knowledge.

The 13th International Conference on Distributed Computing and Internet Technology (ICDCIT-2017) will take place in Bhubaneswar during 13th – 16th January 2017. It will be organized by KIIT University, Bhubaneswar, India. Like the previous years, the proceedings of the conference will be published by **Springer** in the series of **Lecture Notes in Computer Science**.

ICDCIT 2017 solicits original papers contributing to the foundations and applications of Distributed Computing and Internet Technology in the following broad areas:

Distributed Computing

- Distributed Algorithms
- Distributed Storage Systems
- Concurrency and Parallelism
- Performance Analysis
- Domain-Specific Architectures and Languages
- Secure Computing and Communication
- Data Grids
- Cloud and P2P Systems
- Location-Based Computing
- Formal Methods
- Systems Biology

Internet Technologies

- Web Search & Mining
- Information Retrieval
- Multi-media Systems
- Semantic Web
- QoS Analysis
- Web Services
- Business Processing
- Bidding, Pricing and Negotiation
- Reputation and Trust
- Recommender Systems
- Internet of Things
- Bigdata Scalable Algorithms

Societal Applications

- Social Networking
- Co-operative Problem Solving
- E- Governance
- Green Computing
- Culture and Heritage-Management
- Gaming Systems
- Computational Social-Science
- Medical Applications

Paper Submission

Authors are invited to electronically submit their unpublished and un-submitted paper using LNCS format written in English, of up to 12 pages, presenting the results of original research or innovative tools and practical applications relevant to the conference. All submissions are to be done electronically and submitted papers will be peer reviewed for possible inclusion in the conference proceedings to be published by **Springer** a volume of “**Lecture Notes in Computer Science**”. At least one of the authors of each accepted paper must register for the conference and present their paper in person at the conference.

Papers are to be submitted through the EasyChair [link](https://easychair.org/conferences/?conf=icdcit17)

(<https://easychair.org/conferences/?conf=icdcit17>).
